

## PRODUCT DESCRIPTION

A versatile lightweight mat designed for heavy duty use. The 100% nitrile mat makes it a brilliant swarf scraper mat. With a low profile and drainage holes it makes a premium external entrance mat for those looking to protect their floors.

## FEATURES AND BENEFITS

- Specially designed surface to ensure removal of dirt from shoe/boot soles – can be used as a swarf mat or an entrance mat
- 100% nitrile rubber scraper mat
- Resistant to oils and grease
- Open top for drainage
- Can be used outdoors
- Lightweight, low profile mat for quick installation and easy maintenance
- Non-slip backing
