

PRODUCT DESCRIPTION

The heavy duty anti-fatigue mat designed around the industrial workers daily tasks gives stability and comfort. A highly anti-slip finish to a greaseproof mat gives durability and ensures longevity.

FEATURES AND BENEFITS

- A stud covered bubble top mat increases user awareness and delivers maximum anti-fatigue benefits
- Stud pattern provides a highly non-slip surface for wet and oily applications
- Unique underside suction cup design provides an excellent solution to slippery floors
- Uniquely designed hi-visibility yellow ramped edges ensures maximum drainage and directs unwanted spills away from the mat
- 10 year life expectancy
