

PRODUCT DESCRIPTION

The mat that combines comfort, durability and ease of cleaning into one package. Underside suction cup design, increases traction to painted or slippery floors, making it a safe mat to work on. Ultimately increasing worker awareness and productivity.

FEATURES AND BENEFITS

- Checker plate pattern gives the mat a non-slip easy to clean surface
- Underside suction cup design increases traction to painted and slippery surfaces
- Hi-visibility yellow ramped edges
- Flat top design for those who may have identified potential "foot roll"
- Solid top surface for dry applications
- Customisable to any size and shape
- 10 year life expectancy
