

PRODUCT DESCRIPTION

A premium anti-fatigue mat with a specialised rubber formulation offers the ultimate solution to a light and easy to handle product. Underside suction cups holds the mat to the floor in wet environments setting itself as the superior anti-fatigue mat. Directional drainage grooves remove water and debris making your workplace a safer environment.

FEATURES AND BENEFITS

- Unique 18mm thick construction promotes comfort and productivity
- Underside suction cup design increases traction to painted and slippery surfaces
- Raised surface provides a highly anti-slip surface for wet working conditions
- Grease resistant nitrile compound
- Directional drainage grooves & ramped edges for wet and oily environments
- Customisable to any size and shape
- 10 year life expectancy
