

PRODUCT DESCRIPTION

The most economical anti-static anti-fatigue matting solution for those with dry working environments. A light and easy to handle product makes it a brilliant safe solution for a fast installation and a quick return on investment.

FEATURES AND BENEFITS

- Static dissipative material (ESD) makes Soft Step Anti-static ideal for electronic or hazardous areas, and dry standing environments
- Light/medium duty anti-fatigue matting for use in dry areas
- Cushioned foam PVC construction, giving excellent anti-fatigue properties
- Ribbed surface for anti-slip protection
- Insulates your feet against cold concrete floors
- Bevelled edges with colour options
- Cleans easily with mop, broom or hose
