

PRODUCT DESCRIPTION

A cost effective workshop anti-fatigue mat. Anti-slip oil resistant nitrile mat designed to make the working environment safer. The open top design allows for drainage of water and accumulated debris. This heavy duty mat lifts the user off any slippery surfaces and gives comfort and relief to the body.

FEATURES AND BENEFITS

- Open top design allows for drainage of water and accumulated debris
- Raised grip points increase traction in oily and wet conditions
- 75% nitrile compound makes it resistant to oil and grease
- Increases worker awareness and productivity
- Ramped edges reduces any trip hazard
- Customisable to any size and shape
- Natural rubber mat available
- 10 year life expectancy
