

PRODUCT DESCRIPTION

The most economical anti-fatigue matting solution for those with dry working environments. A light and easy to handle product makes it a brilliant solution for a fast installation and a quick return on investment.

FEATURES AND BENEFITS

- Light/medium duty anti-fatigue matting for use in dry areas
- Cushioned foam PVC construction giving excellent anti-fatigue properties
- Ribbed surface for anti-slip protection
- Insulates your feet against cold concrete floors
- Bevelled edges with colour options
- Cleans easily with mop, broom or hose
- Optional static dissipative material (anti-static) – see Soft-Step Anti-Static
