

PRODUCT DESCRIPTION

A cost effective open top rubber mat with yellow edge. An anti-slip mat designed to make the working environment safer. The open top design allows for drainage of water and accumulated debris. This heavy duty mat lifts the user off any slippery surfaces and gives comfort and relief to the body.

FEATURES AND BENEFITS

- Open top design allows for drainage of water and accumulated debris
- Raised grip points increase traction in oily and wet conditions
- Increases worker awareness and productivity
- Yellow ramped edges reduces any trip hazard
- Customisable to any size and shape
- Greaseproof and other options available on request
- 10 year life expectancy
